## "Merry Christmas John Doe"

On the occasion of Christmas, and on behalf of Jane, you are hereby entitled to a one-half hour *Introductory Flight Lesson* here at the *Langley Flying School*. This lesson will familiarize you with the basic control of an aircraft during the various phases of flight, as well as introduce you to the procedures and practices of a pilot's preflight and post-flight duties and responsibilities. We encourage you to visit our website—[langleyflyingschool.com](http://langleyflyingschool.com)—to learn more about flying and pilot training in anticipation of your flight.

During the course of this flight you will therefore be at the controls of one of our *Piper Cherokees* under the supervision of a Flight Instructor, and you will be introduced to the amazing experience of flying. Call us and we will schedule your flight, and prepare to enjoy the gift of flight!

Regards,

Rita Methorst,  
Associate Chief Flying Instructor
